Santa Fe Springs, CA - May 26, 2017 — A new agreement between the mid-market business banking leader, American Business Bank, www.americanbusinessbank.com, and cash management fulfillment provider, Superior Press, was announced today. The contract will include Check Printing, Cash Management Supply fulfillment and Remote Deposit Capture Scanner fulfillment services. “Our corporate value standards are very similar to Superior Press’s,” said Jesse Martin, American Business Bank FVP Treasury Management Director. He continued, “In addition to that, Superior Press’s outstanding service and executive accessibility were key reasons for the partnership”.

Suzanne Dondanville, American Business Bank EVP Chief Operations Officer, said “We are pleased to be partnering with Superior Press. The company’s ability to meet our customers’ needs both promptly and accurately are very important to our business. In addition, Superior Press’s family owned and operated structure and values are very similar to American Business Bank’s,” Dondanville continued.

“It is great to align Superior Press with a bank that values the client relationship above all else,” said Steve Traut, Senior Vice President of Sales at Superior Press. “American Business Bank’s foundation of integrity and strong values make it an ideal partner for Superior Press,” Traut continued.

American Business Bank’s Los Angeles headquarters were founded in 1997 by a group of highly experienced and influential bankers. They were frustrated by the practices of mega-corporate banking and envisioned a high-touch, first-class

business bank. With nearly \$2 billion in assets, American Business Bank is now considered one of the premier middle market business banks in the entire country. The bank's sole focus is middle market companies. It offers first-class service by aligning clients directly with the right person, with access to the highest levels of the bank, with a full range of financial services. American Business Bank's core values are found in old-fashioned banking values: • We build our bank one client relationship at a time. • We select only the best companies to work with • We hire and develop only the best bankers.
